American Cancer Society: Cleveland Hope Lodge
11432 Mayfield Rd
Cleveland, OH 44106
(216) 844-4673

Racheal Warner, racheal.warner@cancer.org

Mission: The American Cancer Society is committed to removing barriers to care and improving the quality of life for cancer patients and their caregivers. At the hope lodge we provide a free 'home away from home' to adult cancer patients and their caregivers who travel to Cleveland to receive treatment for cancer. It would often be otherwise impossible for many of our guests to pay the costs of lodging and receive this treatment. We help our guests GET WELL by taking away the extra emotional and financial burden of finding a place to stay during an already challenging time.

Volunteer Opportunities:
Reception Volunteer: Individuals on a regular basis
Be an ambassador for promoting a healing and supportive environment to patients and their caregivers. This position includes checking guests in and out, conducting tours, answering phones, distributing mail, stocking supplies, and general office assistance. Shift volunteers must be at least 18 years old. Simple training session required. This position works a two to four hour shift on a regular basis. Shifts times are generally: 9 a.m. to 1 p.m., 1 to 4 p.m., 4 to 6 p.m., and 6 to 9 p.m. Monday through Thursday, and 9 a.m. to 12 p.m., 12 to 3 p.m. on Friday. Weekends are also an option! We work to accommodate unique schedules when possible.

Evening diversions and activities: Groups, single instance or ongoing basis
Plan and execute activities for the Hope Lodge guests! Activities can include leading a yoga/light exercise class, arts and crafts projects, bingo, baking, music performances and many more. We encourage groups and individuals to share their special talents with the Hope Lodge guests! Individuals may plan activities too. Volunteers are generally needed Tuesday, Wednesday, and Thursday evenings around 7 p.m.

Hosting a Potluck Dinner:
Our guests and caregivers are busy throughout the day with doctor appointments and treatments—often leaving little energy or time to prepare themselves a home-cooked meal. Potluck Wednesday is definitely a favorite at the Hope Lodge! Potluck Season generally runs September through May, although we would love to have people all year. We have Potlucks on Wednesday evenings around 6 p.m. We have a handout with all details that will be helpful when planning your meal.

Red Line Greenway
Lennie Stover, redlinegreenway@gmail.com
Mission: Our mission is to build a world-class greenway and multi-purpose trail connecting 8 diverse neighborhoods on Cleveland’s near west side to downtown. The greenway will promote cultural expansion, be environmentally sustainable, reconnect neighborhoods, provide access to nature, promote healthy lifestyles and generate amazing economic development.

Volunteer Opportunities: Volunteers at the Red Line Greenway will be given a tour of the site so they may appreciate the magnitude of the project and its transformational effect on the City. There is a job for every skill level. Most volunteers will do various landscaping work that may include mowing, trimming, planting and other efforts to beautify the site.

Transportation: Red Line to West 25th Street station is directly across from our site

Wigs for Kids
24231 Center Ridge Rd
Westlake, OH 44145
(440) 333-4433

Caleb Paul, cpaul@wigsforkids.org
Mission: For over 30 years, Wigs for Kids has been providing Hair Replacement Systems and support for children who have lost their hair due to chemotherapy, radiation therapy, Alopecia, Trichotillomania, burns and other medical issues at no cost to children or their families. The effects of hair loss go deeper than just a change in a child’s outward appearance. Hair loss can erode a child’s self-confidence and limit them from experiencing life the way children should. With an injured self-image, a child’s attitude toward treatment and their physical response to it can be negatively affected also. Wigs for Kids helps children suffering from hair loss look themselves and live their lives. Because we never charge families for hair replacements, we depend on generous individuals that want to help donate hair for cancer and other sources of hair loss.

Volunteer Opportunities: Wigs for Kids can always use volunteer support to assist with general office work, sorting and securing ponytail donations, fundraising, and data entry so we can thank our generous hair and monetary donors.
