Statement of Ethics
The Office of Greek Life, the Greek Week Steering Committee, the Interfraternity Congress, and the Panhellenic Council realize that Greek activities, e.g. Greek Week, support the academic mission of Case Western Reserve University and therefore play a vital role in a Greek’s education. We further realize that these activities provide important life skills concerning teamwork, sportsmanship, and more importantly, winning and losing. Through competition, Greeks learn self-discipline, build self-esteem and self-confidence, and develop the necessary skills to handle competitive situations.

Code of Conduct
- All Greeks attending and participating in an event shall not violate the alcohol and drug policies of Case Western Reserve University, the Greek Week Alcohol Policy, and the FIPG Policies during an event.
- During an event, all Greeks attending and participating in that event are expected to conduct themselves in a manner of sportsmanship that will reflect positively upon the Greek System, Case Western Reserve University, and the local community.
- The goal of Greek Week is to contribute to a Greek’s education, but classroom work must still be the primary concern of each student. Each Greek is expected to maintain his/her classroom performance throughout Greek Week.
- All officials are expected to be treated with respect during an event by all Greeks participating and attending that event.
- For every event, the participating Greeks must have proper identification and display that identification when prompted by an official during the check-in period of the event.
- Enthusiasm is an inherent aspect of all competitive events; however, all participants are to maintain a level of respect for themselves and those around them.
- Any violation of these above policies or disregard for the spirit of Greek Week shall be dealt with first by the Officials of Greek Week and the Director of Greek Life, and second, if need be, by the Interfraternity or Panhellenic Judicial Boards.

I, ___________________________ (Chapter President) of ______________________ (Chapter), have read to my chapter the above Greek Week Code of Conduct and my chapter and I understand and agree to abide by it.

General Rules

1. The evening before each event, a meeting will be held with the Greek Week committee and the Greek Week chairs from the chapters that are running events the following day. The Greek Week Committee will outline and interpret the rules of their event. The meetings will take place at the end of each day’s competitions. Failure to send a representative will result in a DQ from the next day’s events.

2. To be awarded any trophies or awards, chapters must participate in every event throughout Greek Week. If a chapter receives a DQ from an event, they will not be able to receive any trophies or awards for the week for the remainder of the week. Trophies won in a prior event to the DQ are retained. A DQ does not affect the scoring of events that have already happened. DQ’d chapters may participate in subsequent events for no points. All other chapters that participated in the event will be moved up from the DQ chapter’s standing down.

3. Points will be awarded both for participation and for placing in each event. All ruling decisions will be made by representatives of the sponsoring chapter and will be overseen by at least two members of the Greek Week Committee. Sponsoring chapters will have the authority to rule that a team cannot place in an event based upon the rules for No Placement (NP) for that event. A “No Placement” or “NP” will cause a chapter to only be awarded participation points for that event, regardless of the team’s final score or time. Only the Greek Week Committee has the authority to disqualify a team from an event completely, known as “Complete DQ” or “DQ.” In the event of a Complete DQ, placement and participation points will not be awarded.

4. Teams are expected to compete at their respective time. If the entire competing team is not checked in (all participating members must check in at every event with their Case IDs) and ready to compete at the designated time, this will be considered grounds for a NP from that event. If there is a problem with the order for an event, please approach the Committee when the order sheets are passed out. Otherwise, the team will receive a NP.

5. All coaches and participants for events must be active members in good standing of a chapter on this campus, must not have obtained a bachelor’s degree, and must have signed a waiver. The only exception shall be the case of alumni coaches for rope pull, and a special waiver will need to be signed in this case.

6. The Greek Week Committee and full-time paid staff members of Greek Life reserve the right to expel any individual, group of individuals, chapters, or groups of chapters at any time prior to, during, or after Greek Week for unsportsmanlike conduct or behavior unbecoming of a member of our Greek Community. An expulsion of a chapter means the forfeiting of trophies or awards, and disallowing participation in all subsequent Greek Week events.

7. In the event that a chapter wishes to file a grievance against another chapter, the grievance must be communicated by only the Greek Week chair and must be heard or received by the Chair of the Greek Week Committee, the Rules & Events Chair of the Committee, the designated Greek Life Office staff member, and the Director of Greek Life within 24 hours of the completion of the event in question.

8. Only one representative from each chapter may approach the Greek Week Committee members concerning a ruling decision. More than one person approaching the Greek Week Committee will be considered grounds for complete DQ from that event. That person should be the Greek Week chair (or acting chair) from the chapter. No videotapes or audiotapes will be accepted as part of a chapter’s appeal for any event. All decisions on grievances are made at the discretion of the Greek Week Committee.

9. Scripts for Greek Sing and Variety Show must be turned in to the Greek Week Committee by the date and time stated in the handbook for each event. The committee reserves the right to...
request that part or all of the script be changed if it is determined to contain vulgarity and/or offensive content. If the chapter decides to perform the script or another script without appropriate changes, they will receive an NP for the event and may be subject to disciplinary action at the discretion of the Greek Week Committee and may be referred to their respective judicial board. Any offensive content in a chapter’s banner and/or can castle will result in the same consequences as above. If no script is provided, the chapter will not be permitted to participate.

10. Any necessary equipment will be purchased and distributed by the Greek Week Committee by request of the sponsoring chapter. Storage of equipment during Greek Week will be the responsibility of the sponsoring chapter, unless provided by the committee. If the fraternity or sorority fails to return a piece of equipment, they will be responsible for the replacement costs. Sponsoring chapters will be expelled from Greek Week if they do not clean up after their event.

11. In the event of an equipment failure, the judge of that event is responsible for calling the error by throwing out a signal flag or blowing a whistle. Upon seeing this flag or hearing the whistle, the event participant or team captain may either immediately stop or continue. If the participant chooses to stop, he/she will be permitted to retry the entire event after the other teams or participants have finished. If the participant opts not to stop, he/she may not contest the equipment error with the judge afterwards.

12. In the event a penalty is assessed on a team, the official time keeper will record the penalty. Following the team’s completion of the event, their Greek Week Chair may request a list of the assessed penalties.

13. Practice trenches for rope pull may not be dug until Friday, February 20, 2015 at 11:59:59 PM. All trench locations must be confirmed with the Greek Week Committee by Saturday, March 21, 2015. All trenches must be filled in and reseeded by Saturday, March 28, 2015 at 11:59 PM. Trenches may be dug on the following campus grounds only: (1) between the fraternities buildings on Murray Hill Road, and (2) at the corner lot "par course" at Carlton Road and Overlook Road. Chapters that own their property may dig trenches on their private property or on these specified campus grounds. Chapters may not dig trenches in any campus locations other than the three specified locations. Chapters may not dig trenches in any tree lawn. The tree lawn is the area between the street and the sidewalk. All chapters in the area (Murray Hill, Bellflower, Carlton, or Magnolia) of an unfilled trench will be completely disqualified from Rope Pull. Final location determinations will be made by plant services and the Greek Week Committee. If any chapter in an area refuses to comply the remaining chapters should contact the Greek Week Committee.

14. No teams may hold practices for any Greek Week events before Friday, February 20, 2015 at 11:59:59 PM. Practices include any official, organized meetings of members engaging in activity to rehearse for a Greek Week event. Practices do not include informal planning meetings.
Greek Week Alcohol Policy

In accordance with federal, state, and local laws and policies set by the Case Western Reserve University Judicial Board, IFC and Panhel Judicial Boards, and FIPG guidelines: all Greek Week events will be alcohol-free events (dry). Any violation of this policy will be handled as follows:

1. Any individual who is found to be in possession of alcohol and is approached by a member of the Greek Week Committee, Greek Life Staff, or officiating Greek Week personnel will be asked to dump out any opened alcohol containers, and to forfeit any closed alcohol containers. The name and chapter affiliation of that person will be noted.

2. If the individual refuses to dump out and/or forfeit their alcohol, they will be escorted from the event by Case security.

3. Anyone escorted from an event will not be allowed to participate in any further Greek Week competitions.

4. As any event that appears to be a chapter event is considered so by FIPG: if two or more members of the same chapter are approached at an event, that chapter will receive a DQ from the event, will receive no participation points, and will forfeit all trophies won.

5. A second violation of the alcohol policy by an individual or chapter will result in a complete expulsion from all of Greek Week for this (2015) and next (2016) years’ Greek Weeks.

This policy begins 12:01 AM, Sunday, March 22, 2015 and extends through 11:59 PM, Sunday, March 29, 2015.
Greek Week Chair Responsibility

1. The Greek Week Chair is responsible for attending all Greek Week meetings before Greek Week and all event meetings (as described above in general rule #1) during Greek Week. If no representative from a chapter is present at a meeting prior to Greek Week, the chapter will lose one point for each absence. The Chair is responsible for communicating all information learned in these meetings to his/her chapter. If the Chairperson is unable to attend a meeting, a suitable substitute must be selected. Only in the event of a chapter-wide mandatory event conflict (i.e. ritual initiation, mandatory national event) may absences be excused.

2. The Greek Week Chair is responsible for organizing any event that his/her chapter sponsors. This includes:
   - Ensuring the availability of proper equipment, unless provided by the committee.
   - Defining the rules (in conjunction with the Rules Chair).
   - Clearly communicating the rules to the officials.
   - Conducting the event meeting with Greek Week Committee and other chapter chairs the evening before sponsored event.
   - Ensuring that the event starts on time and proceeds efficiently.
   - Being available to answer any questions about the rules of the event.
   - Cleaning up after the event.
   - Ensuring that the events are conducted in a manner that promotes honesty, fairness, and is non-offensive
   - Acting in a manner which reflects well upon the fraternity system

3. The chapter running each event will have the first say in any discussion of rules or appeal of results.

4. The Greek Week Chair is the sole spokesperson for the chapter in communication with the Greek Week Committee, including but not limited to: questions about rules, discussions with officials, and complaints to the Greek Week Committee. Only one chairperson per chapter may act as the spokesperson for the entire week. If for any reason, a Greek Week chair cannot be present at an event, the Greek Week Committee must be notified in writing by the end of the previous day’s events. Any chapter that violates this policy will be subject to disqualification from the event at which the incident occurs.

5. Finally, please remember that the Greek Week Chair is responsible for setting an example of integrity and honor for his/her chapter for the week. If the Chairperson does not meet his/her responsibilities, the chapter will struggle with Greek Week. Open and efficient communication between Greek Week Chairs and the Greek Week Committee and a positive attitude of cooperation on both sides will help to make Greek Week 2015 a success for all involved.

Logo Design Competition

Event Explanation
The purpose of this event is to have chapters each contribute a design to the Logo Design Contest.

Event Specifics
Each chapter must contribute at least one logo design which creatively incorporates the theme. The logo will be used for public relations purposes. The chapter or individual contest winner will receive a cash prize of $50.

Event Rules
Designs must be sent to Katie Rose (kar100) by Wednesday, February 11, 2015.

Event Points
Chapters contributing at least one logo design will receive full participation points
Unity Event: Fundraising Drive

Event Explanation
The purpose of the event is to foster unity among chapters by creating community competition while fundraising for a common cause.

Event Specifics
The Unity Event will be a fundraiser for a Greek Life Membership Emergency Assistance Fund. The fund allows members of the Greek community who are struggling to pay their membership fees, due to a financial emergency, to apply for assistance based on their financial need. The application process is handled anonymously by the Order of Omega.

Event Rules
1. Teams may raise funds from individual chapter members, as well as from alumni and/or community members. There will be three means of donating:
   a. Credit cards via a university-run website
   b. Cash or checks may be turned in at designated tables at every event, except Rope Pull
   c. Case Cash may be used to make donations at those same tables
2. Based off of chapter participation and cumulative donations, chapters will have the opportunity to learn components of Obstacle Course for Greek Week 2016 at least 24 hours in advance of the competition.

Timeline
The university-run website will open starting the Monday after Spring Break (March 16, 2015). Donations may begin at this time. However, due to processing time, online donations will close Thursday, March 26, 2015 at 11:59 PM. The deadline to donate cash/check/Case Cash is by the end of the Pyramid competition on Saturday, March 28, 2015.

Event Scoring
To receive full participation points for 2015, chapters must 1) have donations from at least 50% of their chapter roster, or 2) raise cumulative donations of at least $250.

To learn 1 obstacle course event ahead of time, chapters must 1) have donations from at least 60% of their chapter roster, or 2) raise cumulative donations of at least $300.

To learn 2 obstacle course events ahead of time, chapters must 1) have donations from at least 75% of their chapter roster, or 2) raise cumulative donations of at least $350.

To learn 3 obstacle course events ahead of time, chapters must 1) have donations from 100% of their chapter roster, or 2) raise cumulative donations of at least $450.
Greek Week 2015 Handbook

Greek III
ΘΧ / ZBT
Sunday, March 22, 2015 – 12:00PM, 2:00PM, Tinkham Veale Center, Ballroom

Event Explanation
The purpose of Greek III is to educate the community on a meaningful presentation topic.

Event Specifics
Each chapter is responsible for attending their assigned Greek III session. At least 30% chapter attendance is required for full participation points. Greek III does count as a Greek Week event; therefore, if chapters do not participate, they will not be eligible to place in any other Greek Week event.

Event Rules
1. Any member not staying for the entire session or arriving 10 minutes late will not count in the attendance.

2. Any disruption caused in the session by any chapter or one of its members will result in forfeiting the participation points and an automatic expulsion from Greek Week for the member’s respective chapter. Disciplinary action against the individual member and his/her chapter will also be taken.

3. 2015 Session Assignments:

Faculty Bruncheon
FIJI / ΔΣΦ
Monday, March 23, 2015 – sessions at 9:00 AM, 10:30 AM, and 12:00 PM in the Tinkham Veale Center Senior Classrooms A, B, First Floor Conference Room, Gaming Room

Event Explanation
The purpose of this event is to have chapter members interact with faculty in a meaningful way, demonstrating mutual respect for the intersection of Greek Life and academic life.

Event Specifics
Students will attend a breakfast or lunch session with a faculty member who will facilitate a discussion among the group. The attire for the event is business casual. Chapters will not be assigned a particular session to attend and all chapter members need not attend the same session. Students will register online for a session of particular intellectual interest.

Event Rules
1. Each chapter must send exactly five (5) members. Included in those must be the Greek Week chair and the president. Substitutions may be made only for valid extenuating circumstances.

2. Scholarship chairs are also encouraged, but not required, to attend.

3. Members of the Greek Week Steering Committee, or IFC/Panhel Executive Board who are present at the event do not count towards a chapter’s six members. The chapter members who attend must be members other than those representing the organizations mentioned above.

4. Chapter members must remain through the entire session and must be present in body and mind. The event is a reflection of Greek Life and, while enjoyable, should be treated as a serious event.

5. Chapter members arriving more than 15 minutes late will not be counted as having attended.

***Any violation of the above statements will result in no points being awarded**

Event Scoring
Participation points will be awarded as described in the scoring system. See scoring system page.
Greek Sing
ΦΚΤ / ΠΚΦ
Wednesday, March 25, 2015 – 6:00 PM (Doors open at 5:30), Tinkham Veale Center, Ballroom

Event Explanation
The purpose of Greek Sing is to share with other chapters a piece of the fraternity/sorority’s tradition through song.

Event Specifics
Each chapter may sing one song with no fewer than five of its members participating. The song should not be a solo effort with backup, but a true group effort. The stage for this year’s event will be 18’x24’ with steps. Each organization MUST submit the written text of the song it will perform to the Greek Week Committee by 5:00 PM on Monday, March 23, 2015. Failure to do so will result in the chapter not being able to participate in Sing. The Greek Week Committee reserves the right to veto any portion of a chapter’s song for violation of rule 8. This will be strictly enforced.

Event Rules
1. Each performance can be no shorter than thirty seconds and no longer than four minutes.

2. Songs should be kept to the confines of the stage and may not contain elaborate performance content such as dance, props, or accompaniment that would overshadow the singing.

3. There will be no musical accompaniment, costumes or choreography, including any form of coordinated body movement, such as but not limited to: feet movement, dancing, coordinated hand movements such as gesturing, or any movements that correspond to song lyrics. One person may conduct to keep the beat for the group. Any violation of these rules will result in an NP for the event. Clapping, snapping, and slight swaying to the beat of the song is permitted.

4. The song should feature the abilities of all chapter members and therefore, extended solos are not permitted. Any chapter that features a single member or members as the primary singer/s and uses the chapter as backup or chorus singers only will receive a NP for the event.

5. The song must be a traditional chapter song or any contemporary song whose words have been altered to be representative of your organization.

6. The song should pertain to the overall Greek Week theme.

7. All timing shall be done by the Greek Week Committee.

8. The song may not, whether intended or not, include any obscenity or indecency, including, but not limited to, vulgarity, nudity, alcohol or drug references, and portrayals of violence, or have a theme that is negative towards the Greek community or any member chapter, the university, or the Greek Week officials. This
will result in a DQ for the event at the discretion of the judges, and may result in expulsion depending on severity.

9. The places will be awarded at the discretion of the judges, whose decision will be final except for disqualifications or NP’s.

**Event Scoring**

The event will be judged on the following criteria: Quality of performance of the music (10 pts), Cohesiveness of the group during the performance (5 pts), Creativity and originality of the song as related to the theme (5 pts), Song is related to the chapter (0 pts if no, 5 pts if yes).

Normal fraternity/sorority scoring will be used. Judging will be based on vocal quality of the entire chapter only.

Letter Check-in
ΔΥ / KAΘ
Thursday, March 26, 2015 – 11:00 AM – 4:00 PM Thwing Atrium

Event Explanation
The purpose of this event is to promote Greek spirit by demonstrating chapter affiliation. Chapter members should wear chapter paraphernalia, such as clothing, pins, badges, etc. to celebrate Greek spirit. Chapters are encouraged to show their spirit as a group.

Event Specifics
Students must present their IDs while visibly displaying chapter paraphernalia at the time they approach the Greek Week Spirit Day check-in table in Thwing.

Event Rules
1. Fake IDs will not be accepted.
2. Members may not check in twice or for any individual besides themselves.
3. The same article of clothing (including pins, hats, letters, etc.) may not be checked-in under two different individuals.
4. Members who wish to gain credit for check-in must be wearing the article of clothing or committee-designated promotional item. Upon approaching the table to check-in this must be exposed/visible (i.e. not underneath a sweatshirt or jacket which does not bear letters)
5. If a chapter has new members, they are permitted to check-in with their new member pins.
6. If a member is on Co-op, practicum, or any other university sanctioned off campus opportunity and will not be able to make this event, as it is during normal business hours, their name must be submitted to the Rules, Logistics, and Chair persons of the Greek Week Committee so that the roster may be updated. Those members will not count toward the percentage completion and may not check in for this event.

***Any violation of the above statements will result in an automatic DQ***

Event Scoring
Participation points will be awarded as described in the scoring system. See the scoring system page. The chapter or chapters with the highest percentage will receive a certificate but no extra points.
Banner Competition
Friday, March 27, 2015 – 10:00 AM – 4:00 PM, Case Quad (Rain/Too Cold site: Adelbert Gym)

Event Explanation
Each chapter will prepare and present a banner that portrays their Greek spirit.

Event Specifics
Each chapter may make a banner that fits in a 12x12x12 foot cube. These banners are to be staked to the grassy areas of the quad. The banners may not be hung or otherwise fixed on any building. All banners must be completely fixed to the quad so they cannot move about freely. Any damage incurred on the quad or buildings of the quad will be paid for by the chapter responsible.

The banners are to be erected between 10:00 AM and 11:00 AM. Banners may not be adjusted in any way after 11:00 AM. The banners will be judged from 11:00 AM to 4:00 PM, and they must be removed by 4:00 PM.

Chapters will be informed at the latest by 6AM the morning of Friday March 27th of the location. Banners cannot demean other chapters and/or the Greek community or contain nudity or obscenity.

Event Rules
1. Banner must demonstrate Greek spirit and be pertinent to the Greek Week theme.

2. Banners may not, whether intended or not, include any obscenity or indecency, including, but not limited to, vulgarity, nudity, alcohol or drug references, and portrayals of violence, or have a theme that is negative towards the Greek community or any member chapter, the university, or the Greek Week officials. This will result in a DQ for the event at the discretion of the judges, and may result in expulsion depending on severity.

3. Banner must be staked to the grassy areas of the quad. Banners must be freestanding; this means not touching any buildings, sculptures, trees, tables or benches.

4. When measuring banners, anything touching the banners, aside from staking equipment within reason (i.e. ropes and pegs), will be included in the measurements.

5. No food or perishable items may be used in the banner.

6. If a power source is needed, banners may be battery powered but cannot be plugged into an outlet. Materials plugged into an outlet would prevent the banner from being considered freestanding.

7. During judging, only the Greek Week chair (or acting chair) may explain/demonstrate their banner to the judges for no longer than 2 minutes.

8. No generators may be requested or used; however, there may be battery powered components.

***Any violation of the above statements will result in a loss of points, except in the instance of rule 2 which may result in expulsion. ***
Event Scoring
Banners will be scored on a scale of 0-5 for the following categories:

- Artistic Quality
- Workmanship
- Originality/Creativity
- Pertinence to the Greek Week theme
- Inclusion of the chapter’s philanthropy organization into the design

Normal fraternity/sorority scoring will be used. The total score (out of a possible 30 points) will be used to determine the first through sixth place winners for fraternities and first through third for sororities.
Variety Show
Thursday, March 26, 2015 – 6:30 PM, Lakewood Civic Auditorium

Event Explanation
The purpose of the Variety Show is for the members of a fraternity or sorority to perform a skit for the rest of the Greek community.

Event Specifics
Each chapter may perform one act with no fewer than five (5) of its members in the skit. Each organization MUST submit a written outline of the act it will perform to the Greek Week Committee and include the exact words that will be said during the act by 5:00 PM on Monday, March 23, 2015. Failure to do so will result in that chapter not being able to perform its act and no points awarded for the event. This will be strictly enforced.

Any audio intended to be used during the act must be submitted to Jamie Linn in the Greek Life Office by 6:30 PM on Tuesday, March 24, 2015. The Greek Week Committee reserves the right to veto any part of a chapter's script or audio.

To prepare for the performance, each chapter will be given two (2) minutes to set up, seven (7) minutes to perform, and then two (2) minutes to tear down and clean up. Extra setup time may not be used for performing. The Greek Week committee will not provide any equipment or props for the acts, as the chapters are responsible for that.

Event Rules
1. All scripts and chapter performances must be in accordance with General Rule #10.

2. Each chapter must provide a member to start their own audio.

3. Set up and tear down cannot exceed 2 minutes each.

4. The act cannot exceed 7 minutes.

5. The judges' tables cannot be moved.

6. Skits may not, whether intended or not, include any obscenity or indecency, including, but not limited to, vulgarity, nudity, alcohol or drug references, and portrayals of violence, or have a theme that is negative towards the Greek community or any member chapter, the university, or the Greek Week officials. This will result in a DQ for the event at the discretion of the judges, and may result in expulsion depending on severity.

7. Food, liquids, glitter, and confetti-like substances are prohibited.

8. All props and performers must be contained to the stage.

9. The skit should pertain to the overall Greek Week theme.

10. All timing shall be done by the Greek Week Committee.

11. All members participating in a skit are expected to be at the auditorium at 6:30pm. If a chapter is not ready to perform when it is their turn they will receive a NP and will not be given a second spot in the schedule.
**Event Scoring**
The acts will be scored out of 100 points with the following criteria:
- Originality / Creativity / Pertinence to the Greek Week theme
- Unity of Performers
- Spirit of Members / Greek Spirit
- Talent Quality
- Entertainment Value

A panel of judges will score each performance directly after the act takes place. The judges will also receive a separate sheet on which they can track prior scores and rankings to ensure that teams who perform first will not be penalized. The total score will be used to determine the first through sixth place winners for fraternities and first through third for sororities.

Any act exceeding 7 minutes will not be allowed to place; however, scores will still be tallied. A DQ will be issued for acts exceeding 10 minutes.

**Event Order**
Raft Race
ΣΦΕ / ΔΓ
Friday, March 27, 2015 – 5:00 PM at Veale Center — New Pool

Event Explanation
Two members of the relay team will begin at the deep end of the pool and two members will be positioned at the deep end in the water. Each lane used will be two standard lanes of the pool. The race will begin at the shallow end. The pair at the deep end will be holding on to the end wall, must keep both hands on the end wall and may not touch the side walls/lane markers at any time. The pool allows room for two teams to participate at the same time.

Event Specifics
Each fraternity/sorority will provide a team of four members. Each pair of the team will travel one length of the pool in a relay fashion. Two Greek teams will race at the same time.

Event Rules
1. Team members may not at any time from start to completion of the relay intentionally touch the side walls or lane markers. NOTE: Relay members may not push off or correct their position by making contact with end walls, lane markers, or side walls.

2. The entire raft must be behind the deep end backstroke flags with both members in raft, with one member’s hands touching the wall, before they start paddling.

3. Once in the raft and behind the flags, the team must paddle to the opposite end using only their upper body. There will be no restrictive seating, however swimmers cannot use their lower extremities. Violations of this rule will be determined by the chapter(s) running the event.

4. Between the shallow end/deep end backstroke flags, if any violation of rule #3 occurs or if any member of the team falls partially or fully out of the raft, ten seconds will be added to the overall team time. Partially falling out includes anything below the hips contacting the water. In the case of partially falling out of the raft, the whistle will be blown once and the chapter name called out to signal the penalty. In the case of fully falling out of the raft, the whistle will be blown twice and the chapter name will be called out to signal the penalty. At that moment, the team must stop propelling forward, and the team member must place him/herself back in the raft, and wait for a second whistle to be blown to start propelling forward again.

5. Once the raft completely passes the deep end backstroke flags, the first pair must evacuate the raft and touch the end wall with both members’ hands. No team member may leave the raft until the entire raft has passed the flag. NOTE: Each member of the shallow end pair must touch the end wall with one or both hands before the deep end pair can let go of the end wall and begin entering the raft. If at any time before the transition whistle the deep end pair does not have both hands on the wall a 10 second penalty will be added to the overall time. Neither pair can assist the other with entry or exit from the raft.

6. To conclude the race, one team member, while still in the raft, must touch the shallow end wall with his/her hand to stop the timer.
7. Only participants and judges are allowed on the pool deck. All spectators MUST be in the bleacher area and must enter through the spectator door in the hallway, NOT through the locker rooms. Also, NO beverages or food will be tolerated anywhere in the New Pool.

8. Chapters will be allowed to refill the raft before the start of their race if needed.

***Any violation of the above statements will result in an automatic NP***

**Event Scoring**
Normal fraternity/sorority scoring will be used. Placement will be based upon fastest times.

**Event Order**

Knockout
ΔΤΔ / ΦΜ
Friday, March 27, 2015 – immediately following Raft Race, Veale – Horsburgh Gym

Event Explanation
Members compete against each other to be the player who scores a basket before the player behind them. The final player in line wins the game.

Event Specifics
Each fraternity/sorority will provide a team of four members each. Four brackets will be created for the fraternities and two brackets will be created for the sororities. One fraternity member from each fraternity will be placed in each fraternity bracket and two sorority members from each sorority will be placed in each sorority bracket. The final four members from each of the four fraternity brackets will face each other in a final knockout round and the final four members from each of the two sorority brackets will face each other in a final knockout round.

Event Rules
1. Each fraternity/sorority will provide a team of four members each. Fraternity members will be assigned a number (1 – 22) and will be separated into one of four brackets at random. Sorority members will be assigned a number (1 – 8) and separated into one of two brackets at random.

2. The members of the bracket will line up in numerical order behind the free throw line. The first two players in line will each be provided with an NCAA-official basketball before the start of the round.

3. The round begins when the first player in line takes the first free throw. The second player in line may shoot as soon as the ball has left the hands of the first player. If the first person to shoot makes their basket first, they return to the end of the line.

4. All initial shots must be taken from the free-throw line. Any shots taken after that may be made from anywhere within the three-point line.

5. A player is “knocked out” when the player who took a shot after them makes their basket first. When a player is knocked out, they must quickly return the ball to the next player in line and exit the court.

6. Play continues until only four members from each of the initial brackets remain. These players become finalists and will play in the final round.

7. Grounds for placing NP will be: shooting out of order of lineup, retrieving the ball when it is in play by another player, shooting before the first player has taken their shot, not taking the initial shot from the free throw line, passing the ball off to the next player in an unsafe way.

8. A basket shall be determined by when it enters the basket, not when it is shot. If the first player shoots a rebound before the second player, but the second player’s shot makes it through the basket before the first player’s, the first player is knocked out.

Event Scoring
Normal fraternity/sorority scoring will be used. Placement will be based upon the affiliation of the top six finalists for fraternities and top three finalists for sororities.

Dodgeball
ΣΧ / ΑΧΩ
Friday, March 27, 2015—immediately following Knockout, Veale—Indoor Track & Courts

Event Explanation
This event will consist of a dodgeball tournament. The goal of the game is to get the entire opposing team out by hitting them with a ball. Fraternities and Sororities will participate in a bracketed single elimination tournament with random seeding. All random seeding will be performed by the Greek Week Committee and the bracket will be announced after the Knockout event has concluded. Prior years placing will not affect seeding.

Consolation matches will be held for 6th/5th, 3rd/4th, for Fraternities and 3rd/4th for Sororities.

Event Specifics
Each fraternity/sorority will provide a team of eight members capable of moderate physical activity. Fraternities and Sororities will each compete in a bracketed tournament. Initial seeds will be determined by the Greek Week committee. The winner of each match will be determined on a best 2 out of 3 basis.

Event Rules
1. The game will begin with 8 Balls in the middle. The balls must cross the volleyball front line to be live.

2. If a player is hit, they are considered out, and will stand on the sideline until the match is finished. The first player to be hit by the ball is the only person out – only one player can be put out on any throw.

3. If a ball is caught by a player on the opposing team, the player that threw the ball is out. If the ball hits the player first, it must be caught by the same player to "save" the catcher and get the thrower out.

4. If a ball hits the net, floor, speakers, basketball goals, ceiling and any other obstruction that is not air, the ball is considered dead. A dead ball cannot get a player out.

5. A ball can be used to deflect, but that does not make the ball dead. If a ball is deflected and it hits a player or is caught, the standard rules apply.

6. Headshots are illegal. If a player is hit above their shoulders usually they are not out. However, if a player ducks into the ball, they are out.

7. A ball must be thrown or rolled to the other side of the court within 10 seconds of it being picked up.

8. To start the game, neither team can cross the center line. Once either team is down to less than five (5) players, both teams can go to the other team’s free throw line.

9. Be honest and remove yourself from the game when you’re out. If you’re out, you can hold your hands above your head to walk off the court to signal to the other team that you shouldn’t be hit again. Referees will be observing, and will be used to solve disputes.
10. If at any time, the Greek Week Committee determines your game is taking an unreasonable amount of time, they will give a two minute warning. Whoever has more players after that two minutes, wins.

**Event Scoring**

Individuals matches end when one team gets all of another team’s players out. Normal fraternity/sorority scoring will be used.
Obstacle Course
ΘΠ / ΣΣΣ
Saturday, March 28, 2015 – 9:30 AM, Veale – Indoor Track & Courts

Event Explanation
The goal of this event is the completion of a mystery obstacle course in as short a time as possible.

Event Specifics
Each fraternity/sorority will provide a team of five members. Each of the team members will complete a different leg of the relay race. The team member must complete their obstacle before the next team member can begin the next obstacle.

Event Rules and Course description
1. The specific rules for each obstacle will be announced the day of the event. All team members must be present 15 minutes prior to the start of the event to hear the rules. If a team member misses the rules presentation, the team will receive a NP.

2. Obstacles are meant to remain a mystery until the beginning of the event. Any chapter member who is found to be aware of or possess prior knowledge of the obstacles will receive an automatic DQ.

3. Any chapter receiving official statements from Greek Week Committee on what the obstacles will be as a result of the previous year’s Fundraising Drive will be exempt from Rule #2.

Event Scoring
Normal fraternity/sorority scoring will be used. The fastest final time will be used to award places.

Event Order
3-24-25-26-27-1-2-4-5-6-7-8-9-10-11-12-13-14-15-16-17-18-19-20-21-22-23
Can Castle
ΔΧ / ΦΣΡ
Saturday, April 5, 2014 – immediately following Obstacle Course, Veale – Indoor Track & Courts

Event Explanation
The purpose of this event is to collect cans of food to be donated to charity. The cans will be used to build castles and judged on several qualities of the castle.

Event Specifics
Food to be collected for the event should be in cans or individual cardboard boxes and must be from the Cleveland Food Bank’s list of most-needed food items. No food packaged in glass or plastic (cellophane, foil, etc.) can be used. Ramen noodles will not be accepted. All food must also be non perishable. The number of items will be counted for each chapter. To help the judges count, each chapter is required to bring a preliminary count of items brought, total cost of food divided by the number of members, and the receipt/s with the food purchases they have collected.
Each chapter must have its items present for counting at 10:30 AM sharp. The event will begin with a speaker from the Cleveland Food Bank. During this time the Greek Week Committee will count each chapter's cans. The chapters will then have 30 minutes to build a castle that represents a service event or philanthropy event that is meaningful to their chapter. After this allotted time, each chapter will send up to two representatives to explain for 30 seconds what event/philanthropy they chose and why it is meaningful to them. During each chapter's explanation, judges will evaluate both their castle and description.

Event Rules
1. Only cans or boxes can be used to build the castles. No tape or glue can be used.
2. Building of the castle must stay within the time limits described above.
3. If a team is not present at the start of the event or does not have a preliminary count, the team will automatically receive no points.
4. No cans may be added after the building time has expired.
5. Castles may not, whether intended or not, include any obscenity or indecency, including, but not limited to, vulgarity, nudity, alcohol or drug references, and portrayals of violence, or have a theme that is negative towards the Greek community or any member chapter, the university, or the Greek Week officials. This will result in a DQ for the event at the discretion of the judges, and may result in expulsion depending on severity.
6. For 2015, the following items are the top six most needed by the Cleveland Foodbank and will be the ONLY kind of food permitted:
   a. Beef stew
   b. Canned soup (NO cream of mushroom, cream of chicken, cream of celery, etc.)
   c. Canned vegetables (NO tomato paste, sauces, etc.)
   d. Cereal
   e. Peanut Butter
   f. Tuna Fish
Event Scoring
The castles will be judged on the following criteria:
- Representation of Event or Philanthropy
- Quality of Explanation
- Quality of Can Castle

Fraternities must spend $3.00 per member in order to receive 5 participation points, and $5.00 per member in order to receive 10 participation points. Sororities will receive 3 points for $3.00 per member and 5 points for collecting $5.00 per member.

The chapter with the highest score will receive a set of wooden letters. No trophies or points (outside of participation points) will be awarded for this event.

Event Order
4-16-17-18-19-20-21-22-23-24-25-26-27-1-2-3-5-6-7-8-9-10-11-12-13-14-15
Egg Toss
ΦΚΨ / ΠΒΦ
Saturday, March 28, 2015 – immediately following Can Castle, Freiberger Field

Event Explanation
The goal of the event is to exchange the egg back and forth, without breaking the egg, at as great of a distance as possible.

Event Specifics
Each fraternity/sorority will provide a team of four members. Each team will participate as two pairs. Each pair will be given one whole, raw egg. The competition will consist of one member from each pair throwing the egg to the other member, and vice versa. Once the egg has been exchanged back and forth at a given distance successfully, the distance will be increased in increments of 10 ft until 60 ft, then 5 ft. thereafter.

Event Rules
1. Each member must throw and catch the egg behind the designated line. The throw must be repeated if a team member steps over the line, a team member uses his/her body to help catch the egg, or if the egg hits the ground but does not break.

2. Teams will be allowed to continue to throw (even if the egg hits the ground) until the yolk is leaking from or is gone from the egg shell.

3. Each team member must throw the egg with his/her bare hands

***DQ will only result if a fraternity/sorority member interferes with the progression of this event***

Event Scoring
Normal fraternity/sorority scoring will be used. The winner will be determined by total distance, completed rounds, and number of drops. If the distance is as far as the field allows, then fewest drops will break the tie and determine the winner.
Pyramid
ΣΝ / ΑΦ
Saturday, March 28, 2015 – immediately following Egg Toss, Freiberger Field

Event Explanation
In this event, the members of a chapter must build a pyramid by climbing on top of each other with each level having one less person on it then the level before it. To ensure that the pyramid is stable, a baton must be passed from the bottom row to the top row, hand to hand.

Event Specifics
Each fraternity must submit a team of 15 members and each sorority must submit a team of 10 members. The bottom row for fraternities will have 5 members, and sororities will have 4 members. Each successive row will start when the previous row has been fully set. They cannot move after calling set. Fraternity pyramids will have levels consisting of 5, 4, 3, 2, and finally 1 member. Sorority pyramids will be built with a 4, 3, 2, 1 member structure. Once the top person is set on top, the bottom row will be given a baton with a whistle attached and will pass the baton to the top of the pyramid, at which time the top person will blow the whistle to complete timing.

Event Rules
1. Standard chairs will be used with the rope to be tied to the armrest on the back of the chair. The rope will not be lower than 24 inches. The chairs will create a 20’ x 20’ box.

2. Each member in the pyramid must be in the basic four point stance. Only the areas from the elbow to the fingers and knees to toes can touch the level below (or the ground, in the case of the bottom row).

3. The next row cannot start crawling until the previous row is set up. This is signified by the bottom row or the team’s coach proclaiming “set”, after which, the row cannot move any of the four points of their stance. Small movements are allowed after “set” is called, as long as the contact points with the level below do not move. If a judge determines that any member moves one of their points of contact after “set” is called, a 5 second penalty will be added for each member who moves.

4. The first row will be allowed one false start. On a second false start the team will receive an NP. Any person false starting after the first row will be sent back to crawl again.

5. If any team member hits either rope a whistle will be blown and the offender will be tapped on the back as soon as an official can reach the offender. That person must go back to the beginning and re-crawl. This will occur before the member has reached the building area and sets their row.

6. One member may stand in the pit and call set for the team. This member is considered a coach and is also responsible for handing the baton to the bottom row.

7. The team member with the baton on the bottom row may not begin to pass the baton until the top row is proclaimed/called “set”. Beginning to pass the baton before this will be considered moving a point of contact and a 5 second penalty will be added.
8. When passing the baton to the top of the pyramid the baton must be handed from hand to hand. The baton may not be thrown. A 15 second penalty will be added if the baton leaves the participants hands. Timing will stop when the whistle is blown by the individual on top of the pyramid.

9. If the pyramid collapses, the pyramid must be rebuilt before the time limit has been reached.

10. When constructing and dismounting the pyramid a participant may not perform any grand standing maneuvers (i.e. standing, flips, twists, etc.). Violation of this rule will result in a DQ.

11. The time limit will be 6 minutes.

Event Scoring
The event will be timed from when the first members being to crawl until a whistle attached to the baton is blown. After penalties are added, the top six times will place for the Fraternities and the top three for Sororities.

Event Order
2-21-8-22-23-24-25-26-27-1-3-4-5-6-7-9-10-11-12-13-14-15-16-17-18-19-20
Rope Pull
ΦΔΘ / Sigma Psi
Sunday, March 29, 2015 12:00-5:00 PM, Freigerber Field

Event Explanation
This event consists of a tug-of-war tournament. The purpose of each individual round is to pull more of the rope on your side of a center mark between you and the other team. Fraternities and Sororities will each compete in a bracketed tournament. Initial seeds will be determined by the Greek Week committee.

The pull takes place with the entire team either sitting or laying down on the ground with their feet placed against the inner walls of trenches.

Event Specifics
Each fraternity and sorority may enter one team consisting of up to 10 members.

The two teams on deck will be allowed to start kicking out their trenches when the current pull has five minutes left in their pull. Only team members may kick out trenches. There will be five minutes between each pull, giving a total of 10 minutes to kick out the trenches for the next pull. If the pull does not take the full 10-minute time limit, the next two teams pulling will be given extra time so that a total of 10 minutes is allotted to complete the kicking of the trenches.

During the kicking of the trenches and the actual pull itself, spiked shoes will not be permitted. The judges will have shovels that may only be used to remove large rocks that cannot be removed by kicking.

Event Rules
1. Seeding will be done by the Greek Week Committee on the morning of the event as outlined below.

2. No false starts (only two warnings will be given to each team). After the third false start, the opposing team will be declared the winner by forfeit.

3. No spiked shoes or gloves will be allowed.

4. No objects other than shoes can be used to dig the trenches, with the exception of the judge using a shovel when deemed necessary.

5. All fraternity and sorority pullers must check in with their Case ID.

6. Only members of the team may touch the rope after pulling begins. Any other member of the fraternity/sorority touching the rope will result in a forfeit.

7. Once a pull begins, only those designated to be in the pit area (behind the snow fences) can be there. This includes pullers from the teams currently pulling or kicking trenches, coaches for these teams, members of the chapter officiating, and members of the Greek Week Committee. Any fraternity or sorority member knowingly breaking this rule (there will be one warning given) will cause his or her respective team (or team they are representing) to receive an NP.

8. Teams are allowed to have only 3 coaches in the pit area.

Updated 2/21/2015 RRB
9. A member of your chapter or an alumnus/a of your chapter may not knock over the snow fencing around the trenches.

***Any violation of the above statements will result in an automatic NP***

**Event Seeding**

1. There will be three brackets: fraternity competitive, fraternity noncompetitive, and sorority.

2. There must be 8 fraternity teams in the fraternity competitive bracket. In the event that 8 fraternity teams do not willingly sign up for the competitive bracket, the top teams from the previous year’s non-competitive bracket will be pulled into the competitive bracket until there are 8 teams in the competitive bracket. The previous year’s noncompetitive first place team will be pulled up first, the second place team second, etc. For example, if only 6 teams sign up for the competitive bracket, then the first and second place teams from the previous year’s noncompetitive bracket will be moved to the competitive bracket. If one of those teams has already signed up in competitive then the third place team would be pulled up.

3. The Greek Week Steering Committee will complete the seeding on the morning of the rope pull event to ensure that only teams planning to compete will be included in the brackets. Separate brackets will be made for fraternity competitive, fraternity non-competitive, and sorority pulls. **For each bracket, half of the chapters will be seeded based on the results from the previous year; the other half will be randomly selected, as per NCAA procedure.** If at any point in any of the brackets there is not an even number of chapters competing in a round, the chapter with the highest seed will be given a bye. **This bracket will be strictly followed.**

**Event Scoring**

The winner of the individual pulls will be determined by satisfying one of the following conditions:

1. The 10 minute time limit expires and your team has more than one-half (1/2) of the rope on its side of the center mark.

2. Less than five members of the opposing team are on the rope.

3. An opposing team member has crossed the center mark of the rope.

4. Your team has pulled more than ½ of the rope to its side of the center mark. The ½ mark will be determined by 2 poles, placed ½ of the rope length on either side of the center mark.

5. The opposing team forfeits.

**Please note:** the judges have the right to deem any pull over at any point if the safety of any person is at all compromised.
If the pull is too close to be called in either direction by the judges at the end of regulation, overtime will be called loudly by the head judge. The first overtime will be 2 minutes long. Each successive overtime will be 1 minute.

Each team will be given only one warning about crossing the center of the rope at the coaches meeting. Fraternities that choose to participate in the non-competitive bracket will earn only participation points. If a Fraternity chooses not to participate they will receive no participation points. Sororities will pull for places 1-3.

Updated 2/21/2015 RRB
Greek Week Chair Event Sponsorship Agreement

The Greek Week Chair is responsible for organizing any event which his/her chapter sponsors. This includes but is not limited to:

- Ensuring the availability of proper equipment, unless provided by the committee.
- Defining the rules (in conjunction with the Rules Chair).
- Clearly communicating the rules to the officials.
- Conducting the event meeting with Greek Week Committee and other chapter chairs the evening before sponsored event.
- Ensuring that the event starts on time and proceeds efficiently.
- Being available to answer any questions about the rules of the event.
- Cleaning up after the event.
- Ensuring that the events are conducted in a manner that promotes honesty, fairness, and is non-offensive
- Acting in a manner which reflects well upon the fraternity system

I hereby agree to the above responsibilities involved with serving as a Greek Week Chair for Greek Week at Case Western Reserve University scheduled for Sunday, March 22, 2015 through Sunday, March 29, 2015.
