Do you enjoy working with teens?

Make a difference in a young person’s life by volunteering with the Open Doors After School Enrichment Program.

Join us one afternoon per week as we offer:

- academic support,
- creative enrichment programming, and
- one on one connection with students from Shaker Middle School.

The Open Doors After School Enrichment Program provides a safe, supervised, fun place for middle school students to be during after school hours, offering the opportunity for socialization with peers and adults, academic guidance and participation in creative enrichment programs.

Our program serves 7th and 8th grade students, Mon-Thurs from 3:00-4:45 pm at The First Unitarian Church in Shaker Heights. Open Doors’ students come from a broad range of backgrounds and socio-economic levels, and need mentors to look up to, learn from and spend time with.

Ongoing Volunteer training is provided.
