Dear Residents,

Everyone is excited that you have chosen to live at the new residence hall at Case Western Reserve University and we wish you luck as you prepare for and take your final exams and complete other year-end tasks.

As you are aware, the new residence hall is currently scheduled to be available for occupancy in mid-September, and the possibility of a delay beyond that exists due to the construction and inspection schedules. We apologize for the inconvenience this will cause you, and will work closely with you to make this as smooth a transition as possible.

Our communication plan this summer will include bi-weekly newsletters with up-to-date information on plans for temporary housing, transportation, meals, move in and more. We will also posts links to these newsletters on our website so you can refer to past information easily.

**Temporary Housing**

- We have blocks of hotel rooms confirmed at: Courtyard by Marriott on Cornell Road, The Tudor Arms/DoubleTree on Carnegie Avenue, the InterContinental Hotel-Conference Center on Carnegie Avenue, and the InterContinental Suites on Euclid Avenue
- We will be providing early arrival housing for groups that require housing prior to August 15, such as fall transition students, orientation leaders, nursing students and approved athletic teams
- Temporary housing assignments will be made this summer. You will be receiving additional e-mails to gather information to be used in the assignment process.
- Hotel rooms will be occupied by two students, each with their own bed. Due to its size, you will not be able to keep all of your belongings in the room when you move in in August. We are working on a plan to store the items you do not need until you move into the new residence hall. Once the details of this plan are confirmed, we will be giving you more information.

**Summer Storage - Armbrusters**

If you plan on storing your belongings with Armbrusters this summer, you will be able to identify 1-2 medium size boxes to be delivered to your temporary housing in August, and the remainder of your belongings delivered to the new hall in September. To take advantage of this two-stage delivery, please clearly label the outside of the box(es) (or bike) as "August Delivery" or "September Delivery." We will make arrangements with Armbrusters to drop boxes off to you at the appropriate place and time.

**Meal Plans**

We will be providing you a choice of one of several meal plans or CaseCash until you move into the new residence hall.

We appreciate your patience as we continue to finalize the details regarding these temporary housing measures. Look for more information beginning the week of May 25, and once again, good luck on exams!
