CWRU Student Medical Plan Health Waiver Questions

In order to ensure the entire CWRU student body is protected by comprehensive medical coverage, Case Western Reserve University automatically enrolls its students in the CWRU Student Medical Plan. However, students have the option to waive the CWRU Student Medical Plan in lieu of an alternative health care option.

To effectively waive the CWRU Student Medical Plan, students must log into the Student Information System (SIS), select 'Waive Optional Fees', and answer several Yes/No questions regarding their current health insurance plan. CWRU University Health Services has provided the waiver questions below for reference.

Prior to initiating the health waiver process in SIS, students are strongly encouraged to contact their healthcare provider to ensure they have answers to all questions listed below:

1. My plan is provided by a company licensed to do business in the United States, with a U.S. claims payment office and a U.S. phone number. Yes or No?
2. My plan is currently active and I agree to maintain health insurance coverage throughout the entire policy year. Yes or No?
3. My plan offers unlimited coverage per accident or illness. Yes or No?
4. My plan covers inpatient and outpatient medical care in Northeast Ohio or where enrolled in CWRU classes (emergency only coverage does not satisfy this requirement). Yes or No?
5. My plan covers inpatient and outpatient mental health and alcohol abuse care within Northeast Ohio or where enrolled in CWRU classes (emergency only coverage does not satisfy this requirement). Yes or No?
6. My plan provides coverage for prescription drugs. Yes or No?
7. My plan provides coverage for pre-existing conditions. Yes or No?

International Students are required to answer two additional questions pertaining to their health coverage:

8. My plan includes Emergency Medical Evacuation coverage in the amount of at least $50,000 (medical evacuation is emergency transportation to the nearest, most qualified treatment facility). Yes or No?
9. My plan provides at least $25,000 coverage for Repatriation (repatriation provides transportation to your home country in the event of death). Yes or No?
